CHAIRPERSON'S NOTE

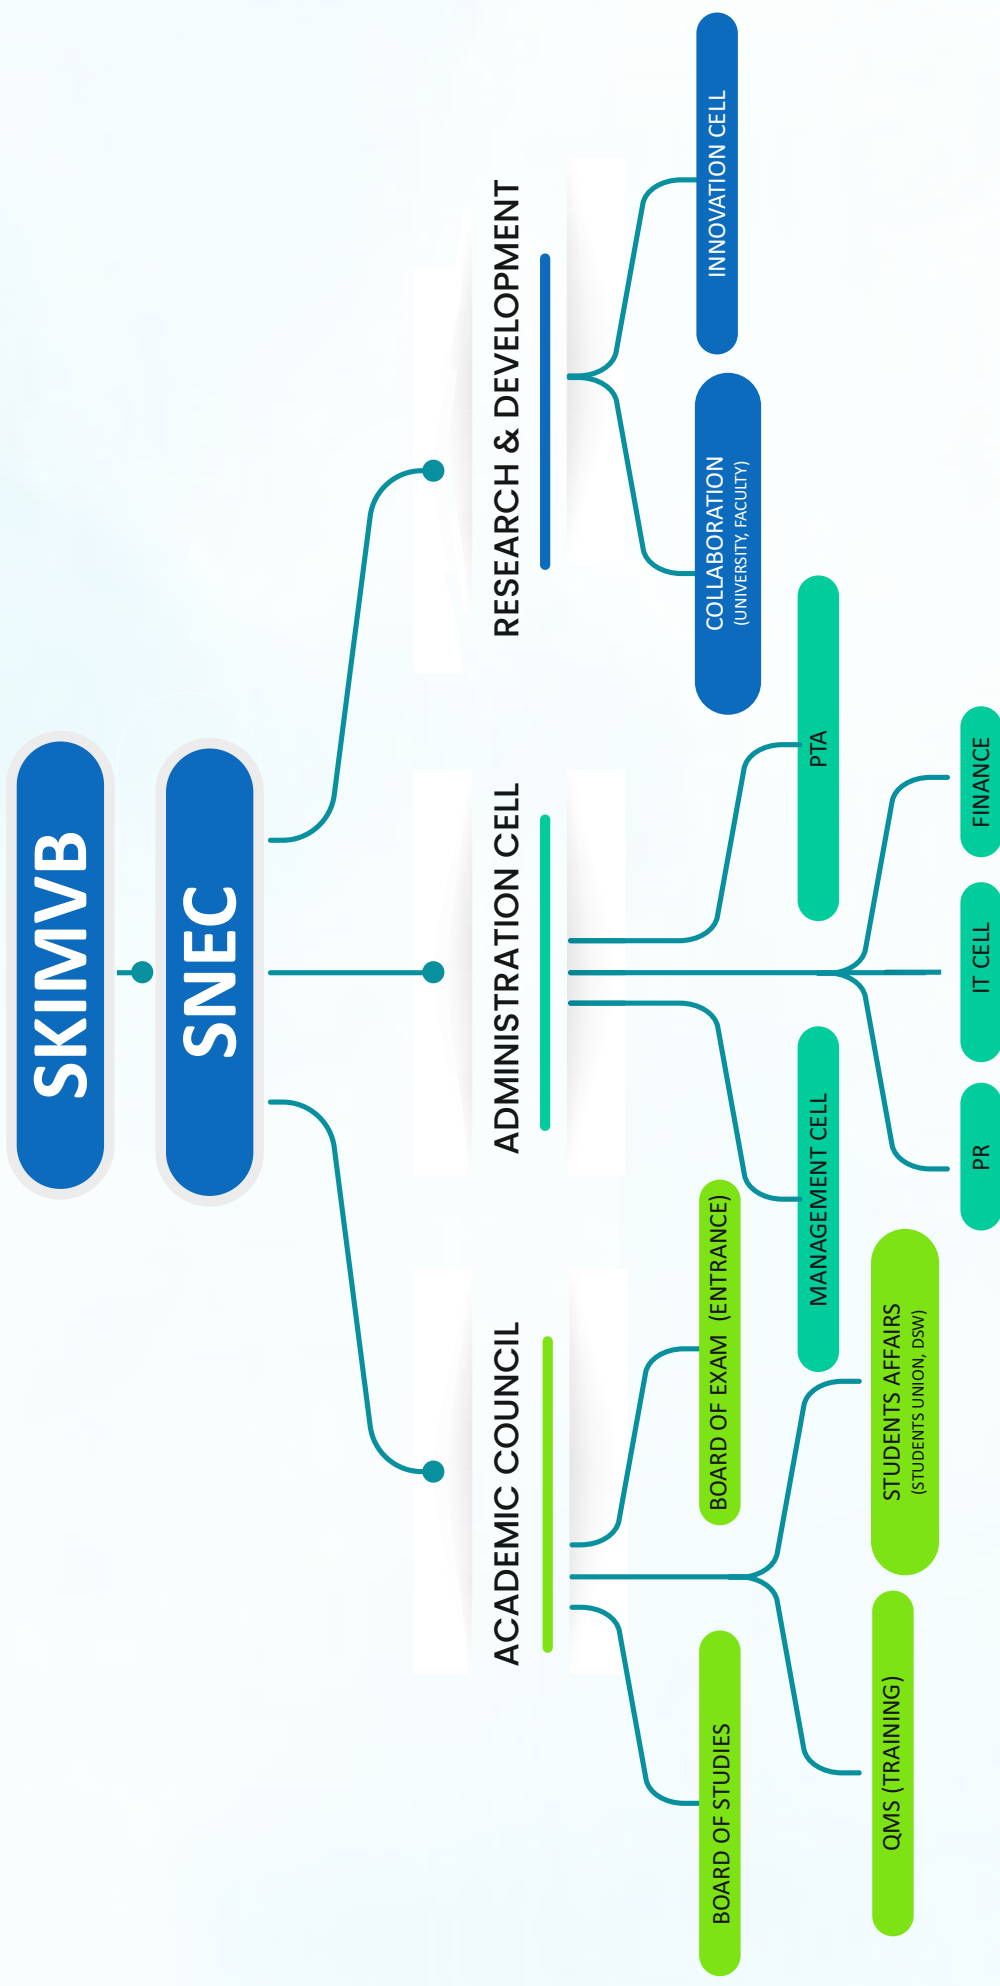

The prime intention of education is to foster the overall development of the individual to its fullest calibre, both professionally and morally. It's with immense pride and honour that I present to you an educational platform that shall generate, in the coming years, an aura of professionals, well versed in both Islamic and secular perspectives. At SNEC, we provide the best national and international expertise to interact with our students. Being the chairperson of SNEC I would also assure the students that they shall abode in the safest hands with no compromise on quality education.

ORGANOGRAM

SAMASTHA KERALA JEM-IYYATHUL ULAMA
